Jack Frost is nipping at our noses right now and that makes us eager for warmer temperatures!

We have dreams of waves lapping at the shore while enjoying the cool water and swimming or riding inner tubes or fishing in quiet coves with the sun shining. Why not enjoy all of these things and more with your family and friends on beautiful Lake Martin?

Lake Martin has something for everyone with its 750 miles of wooded shoreline and abundant wildlife! There is something to do from sunrise to sunset: hiking trails at Smith Mountain or the [Russell Forest Trail System](#), the [Adventure Center at Russell Crossroads](#), or even just renting a boat at one of the many [marinas](#) in the area to enjoy the beautiful scenery around the lake.

With all of these amazing attractions, you'll need a place to stay, of course! If you're looking for last minute gifts for family members or even a little getaway for yourself, we have just the right place for you!

Check out our variety of [short term rental properties](#), because there's a little bit of

It was a pleasure working with Rhonda on the sale of our home in StillWaters. Rhonda gave us continuous updates, ongoing market research and was very diligent in getting the sell closed. Rhonda is a true professional in the Lake Martin Area and very dedicated to helping her clients win in a tough market.
