Keeping on with our "foodie" theme, let's visit [Niffer's Place at the Lake](#). Located right off State Highway 49 in the Blue Creek area of Dadeville, Niffer's has nightly specials. Niffer's started as an Auburn tradition in 1991 and came to Lake Martin in 2002. There's also a [Niffer's in Opelika](#) and a [Niffer's in Auburn](#).

Burgers are the main menu at Niffer's. With 18 different burger to choose from, and names like the "Niffasaurus," there's bound to be something for your and your family to enjoy. If you're looking for a little something healthy, there are wraps (be sure to try the Turkey Wrap—Yum!), salads and so much more! Looking for gluten-free options? Niffer's can take care of that for you as well! Dinner holds something a little different, with a full bar featuring mixed drinks "Niffertinis," fish bowls, and "Nifferitas" plus wine and a selection of beers.

Check out these great specials:

Monday nights wings are 65 cents. Tuesdays feature bingo and kids eat free. Wednesday is Burger night with burgers for just \$5.99. Thursday nights you can gather a team to play trivia with Will and Konky—just be sure to leave the cell phone in your pocket!

Once you eat at Niffer's, you're sure to be a regular!
